

Leading Vending Evolution

Dixie Narco
Vending Systems

A **MAYTAG** Company

Take advantage of the best coin changers and bill validators

- Standard four year warranty with a vandalism credit and optional extended warranty for 7 years.
- Nationwide service network with trained, experienced technicians and competitive pricing.

CCM5G Series Five-Tube Changer

- 5 tubes to maximize inventory and drastically reduce sold out conditions
- Coin cassettes are self-recognizing - no programming required
- Choose from four different coin cassettes to provide optimum change mix
- Clear coin path makes for easy servicing and maintenance
- Three ways to load coins: through top, through tube, or open the back for loading full rolls
- No tools required for debris removal
- Flash programmable eliminates costly upgrades

NBM-3000 Series Bill Validator

- Front mounted flashing lights for "Attract mode" and diagnostics
- Large capacity stacker allows storage of every dollar accepted
- Two front masks available to fit all of your MDB capable vending machines
- Designed with fewer belts, which means less wear, higher acceptance
- Sensors on the vertical plane to reduce dirt build-up
- Steel mask available to deter vandalism
- Flash programmable eliminates costly upgrades

COMBO

- Easy to insert credit card entrance
- Backlit display for better viewing in all light conditions
- Cancel sale button
- Large capacity stacker allows storage of every dollar accepted
- Designed with fewer belts, which means less wear, higher acceptance
- Sensors on the vertical plane to reduce dirt build-up

The Refurb Center

The remanufacturing process at Dixie-Narco goes far beyond cosmetic upgrades and new decals...

Why Remanufacturing?

- Extend Asset life cycle
- Redeploy idle assets
- Get the latest software upgrades
- Package conversions 12 oz to 20 oz
- Change of venue, convert can machine to snack machine
- Convert and update graphics
- Refrigeration upgrades
- Safety Satisfaction

We can remanufacture different types of products of different manufacturers

- Stack Venders • Glass Fronts • Coolers

Dixie-Narco • Vendo • Royal • Beverage Air • True • Habco

In the last 40 years we have been a trusted supplier servicing over 70 countries from our facilities in Williston, SC. We have a 550,000 Sq Ft state-of-the-art manufacturing facility with an additional 170,000 Sq Ft dedicated to Remanufacturing.
